

The image features a highly decorative Art Deco logo for 'THE ST. REGIS BAR'. The logo is centered within a square frame that has rounded corners and a double-line border. The central element is a diamond shape, also with rounded corners, containing a circular emblem. This emblem has a scalloped, sunburst-like border. Inside the circle, the words 'THE ST. REGIS BAR' are written in a clean, sans-serif, all-caps font. The diamond is filled with intricate, symmetrical floral and foliate patterns, including stylized leaves, scrolls, and clusters of small dots. The entire design is rendered in a light beige or gold color against a dark, textured background.
